

CALL FOR TEACHING ARTISTS

Are you a visual artist who believes in the power of art to transform the lives of young people and communities? Do you have experience facilitating visual art projects with teens? If so, we want you to join the Urban ArtWorks team! We are expanding our roster of Teaching Artists for the upcoming Summer and Fall sessions.

Teaching Artists are the core of our program, inspiring teens to trust and share their own perspectives through visual art. We are looking for Teaching Artists who use engaging teaching methods to work with teens to research, design, and install murals and other public artworks throughout Seattle.

Urban ArtWorks is committed to diversity and equity in the workplace. We value experience in addition to education when hiring. We strongly encourage those who reflect the communities we serve to apply, including bilingual individuals, people of color, and members of the LGBTQ community.
